Dear Resident,

Enclosed is the requested Town of Wheatland Building permit application.

Once completed, please mail back to the address below with a check made payable to the Town of Wheatland in the amount of \$15.

The Township has an adopted Building Information Permit. This Ordinance and permit process is in <u>addition</u> to building permits required by the State of Wisconsin. The Town's Ordinance covers **any and all new** construction as well as drive-ways. It also covers **remodeling and/or additions** that will result in an increase of fair market value exceeding \$10,000.

Once I receive the building permit application along with the \$15.00 application fee, I will examine the application to determine the scope of the project and determine who, besides the Assessor, needs to be further notified.

SMRCINA INSPECTIONS is the State Building inspector for the Town of Wheatland. State Building permits are required for <u>ALL new dwellings and garages</u>. You may contact Brad Smrcina at (608)799-6229 or bsmrcina@centurytel.net

If a sanitary system is anticipated or additional bedrooms will be added to a dwelling, then a Vernon County Sanitary Permit is required. Contact **Vernon County Zoning & Sanitation** at (608) 637-5270.

Please let me know if you have any other questions.

Sincerely,

Cindy Eisenman, Clerk
